September 2018

ITMA ASIA + CITME 2018

TOYOTA INDUSTRIES CORPORATION (TICO) [President: Akira Onishi] will participate in the International Exhibition of Textile Machinery “ITMA ASIA+CITME 2018”, which will be held at the National Exhibition and Convention Center in Shanghai from October 15th(Mon) to 19th(Fri). In Hall 3 Booth No. D38, TICO will exhibit and demonstrate 2 Air-jet weaving machines.

[Exhibits]

- Air-jet weaving machine “JAT810” 2 sets

TICO will demonstrate the JAT810 Air-jet weaving machine with its own “E-shed” servo shedding system. TICO not only improved the quality, speed, and energy-savings of the JAT810, but also expanded the application range and versatility.

Furthermore, TICO will also show unique sample product by using TICO original innovative yarn “MOSAIC YARN^{*1}” which is produced by our RX300 Ring spinning frame. “MOSAIC YARN” delivers outstanding yarn uniqueness and has gained a favorable reputation from customers.

*1 MOSAIC YARN : TICO original fancy yarn to switch color and thickness by any settings
